

EDOUARD LALOUELLE

PROFILE

30 years old, I'm french print & web designer with skills in 2D animation & motion design , web integration , illustration and other way music production as well.

Inspired by all goods things around me with ciné, music, F&F, I got experience in graphic & web design during 3 years for different companies and like freelancer. Travel in other countries helped me to have a bigger open-mindedness and today it's my own way of life. Anyway what I have to do but my aim is to learn, discover and realize professional projects.
